SAMPLE PROGRAM: PRELUDES AND FUGUES

*This program features Lawler & Fadoul's own transcriptions of Preludes and Fugues by Bach and Shostakovich, including the towering D Minor of Shostakovich. Solo works by Bach round out the program, and demonstrate his versatility as a composer, as well as the duos' virtuosity. The transcriptions in this program are part of Lawler & Fadoul's **Gronica Project**, expanding the repertoire for their instrumentation.*
